Recognition rather than recall: 6b

Figure 91. Heuristic Evaluation Storyboard 13
Flexibility and efficiency of use / design for advancement: 7a

Please consider the use of these grids in the general function they provide.

Figure 92. Heuristic Evaluation Storyboard 14
Flexibility and efficiency of use / design for advancement: 7b
Please consider this example in relation to 7c for novice users

Figure 93. Heuristic Evaluation Storyboard 15
Flexibility and efficiency of use / design for advancement: 7c
Please consider this example in relation to 7b for more experienced users

Figure 94. Heuristic Evaluation Storyboard 16
Aesthetic and minimalist design: 8a
Please consider these examples in a general sense with those in 8b, 8c & 8d and comment on specific screens where necessary.

Figure 95. Heuristic Evaluation Storyboard 17
Aesthetic and minimalist design: **8b**
Please consider these examples in a general sense with those in 8a, 8c & 8d and comment on specific screens where necessary.

**Figure 96.** Heuristic Evaluation Storyboard 18
Aesthetic and minimalist design: 8c
Please consider these examples in a general sense with those in 8a, 8b & 8d and comment on specific screens where necessary.

Figure 97. Heuristic Evaluation Storyboard 19
Aesthetic and minimalist design. **8d**

Please consider these examples in a general sense with those in 8a, 8b & 8c and comment on specific screens where necessary.
